UNCENSORED BIBLE FOR DARKNET

„Jesus answered: I am the way and the truth and the life. No one comes to the Father except through me."
- John 14:6 (NIV)

Hello visitor. There may be several reasons why you are here - maybe you are not familiar with the Bible and you were just browsing through the internet and just accidentally bumped into this page, or maybe you opened this page searching for truth. Maybe you are already familiar with the Bible and it is illegal in your country to read or own a Bible and for that reason, this project is also available in various networks, like Tor, I2P, Hyphanet, IPFS or Yggdrasil to provide uncensored access. For whatever reason you opened this page, you are welcome here and I invite you to feel free to start reading.

If you are new to the Bible, I encourage you to start with the Gospel of John. It provides basic overview of who Jesus is and about His mission. Few other books I recommend to read after the Gospel of John are Romans, Proverbs, Psalms or the book of Genesis. Also, if you have any questions about the Bible, about the stuff you read or if you are missing translation in your language, feel free to contact us. So, are you ready to begin?
