Wait
Notice as the seconds pass by

They mean nothing now
but everything once they've escaped us

Reality is a prison

We are governed by the confines of it's definity
though we live in a world of endless possibility

This being is breaking

it's falling apart and no one can see it

Let me show you a place
free from the limitations of this universe

Take my hand
shatter the bonds of our oppressive existence

We will find ourselves somewhere
a place worlds away from here
